

# Always Seeing

**Genesis 16:1-13, John 4, Hebrews 4:13-16**

# God Sees The Big Picture

- Remember, God is sitting enthroned over all His creation.
- God's throne is high, which means He can see further than we can see.
- God has a different perspective and sees things we do not see.
- God sees the cause and effect of every choice we make before we make it.
- Our seeing is limited, God's is not.

# God Sees Spiritual Realities

- God sees the spiritual realities that we do not.
- God sees the whole battlefield of spiritual warfare that we do not.
- That which we keep hidden from other people cannot be kept hidden from God.
- Loving someone without knowing them is superficial.
- Knowing someone without loving them is judgmental.
- Knowing someone and loving them—that is Jesus.

# Conclusion

- Jesus is able to see us completely, yet still love us unconditionally.
- When God looks down on us, He sees two categories of people:
  - There are those who are in Christ.
  - Those who are not in Christ.
- When we place our faith and trust in Jesus, God no longer sees us and our sin, but instead sees His Son.
- You cannot appear with Jesus in glory if your life is not hidden with Christ in God.
