# Conclusion

- ▶ How are we to live as Christians? We are to live by and through the Spirit. Our sin is forgiven by belief in Jesus as the Son of God. The Spirit fills us by belief in Jesus as the Son of God. We live in a state of continual repentance. We must be humble, praying seeking God's will, and turning from our way to God's way. Then, we will live righteous holy lives, and we will be saved.
