

Amazing Grace

Titus 2:11-15

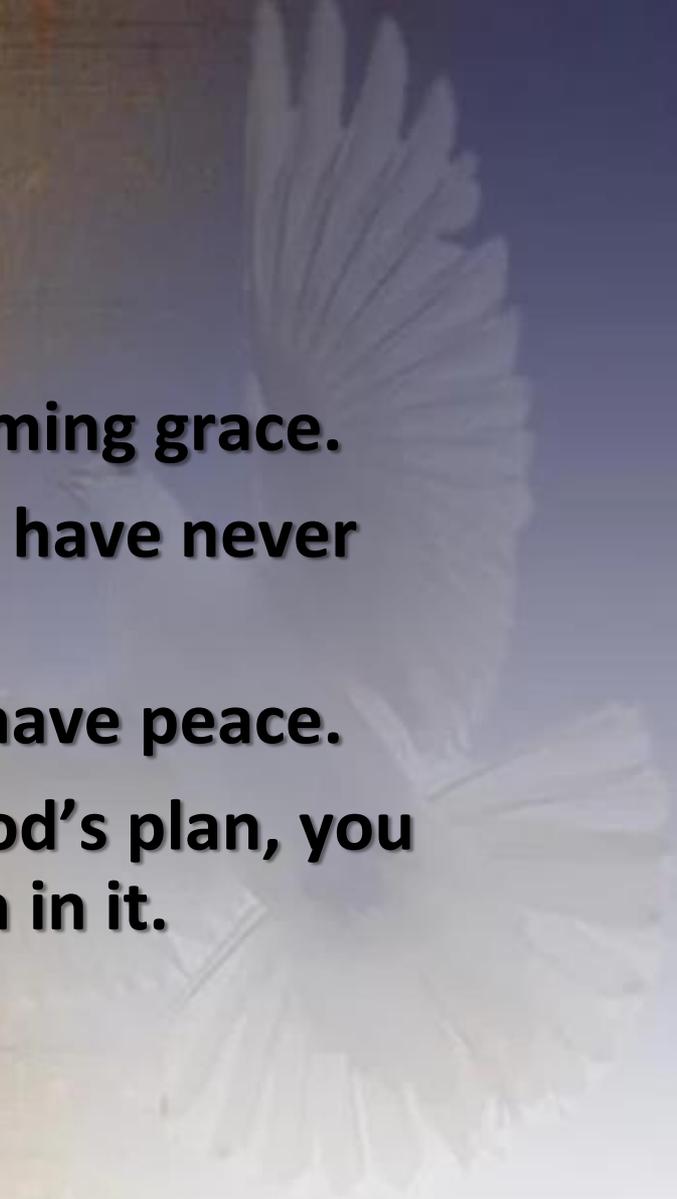

A Saving Grace

- **There is nothing we could have ever done to deserve or receive salvation, but God gave it to us anyway.**
- **Every person who has ever walked this planet has sinned.**
- **The payment for our sins is death.**
- **We cannot save ourselves.**
- **The only way to get into Heaven is through Jesus Christ.**
- **The love and grace of God is a saving grace.**

A Calming Grace

- **The grace and love of God is a calming grace.**
- **God can give you a peace like you have never known before.**
- **Those who fully trust in God will have peace.**
- **You do not have to understand God's plan, you just need to trust it and have faith in it.**

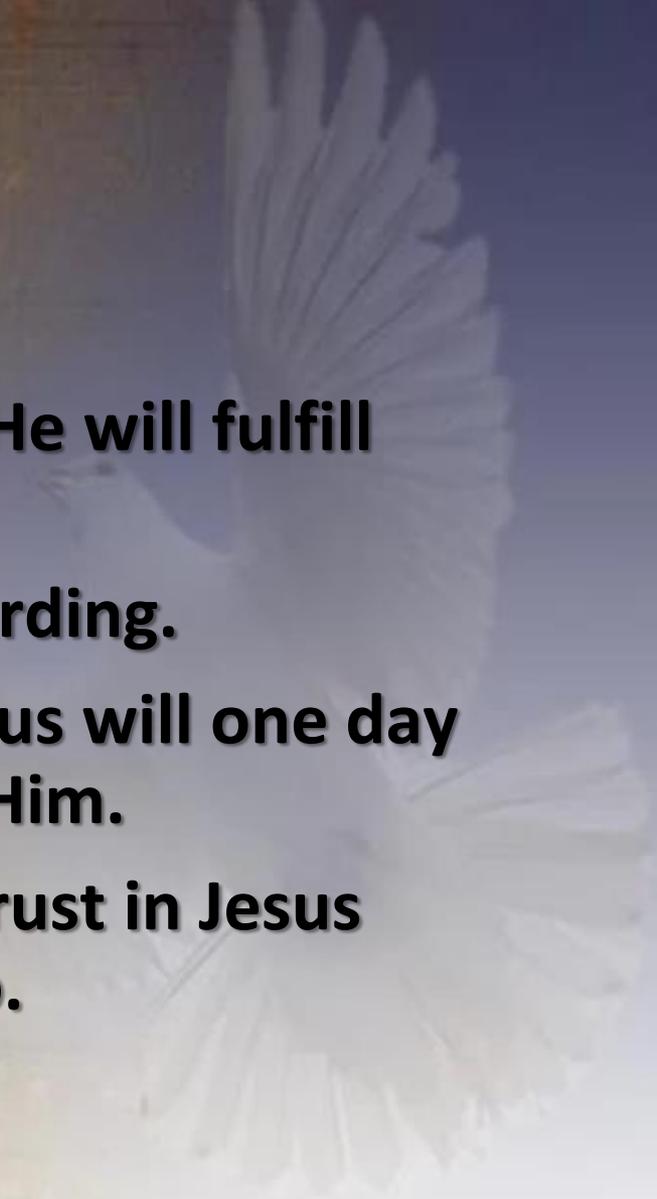

A Protective Grace

- **John Newton faced a lot of danger and hardships, but he knew that only through God's grace he would be safe.**
- **The God Who did it for John Newton is the same God Who can do it for us.**
- **In difficult times God is still with us, and God is still protecting us.**
- **Even though we are surrounded by darkness and troubles, God protects us.**
- **God protects us because He loves us.**

A Rewarding Grace

- **If God promises to do something, He will fulfill that promise in His time.**
 - **Receiving the grace of God is rewarding.**
 - **Those who believe and trust in Jesus will one day spend an eternity in Heaven with Him.**
 - **You must personally believe and trust in Jesus Christ and live your life like you do.**
-

A Persevering Grace

- **The grace of God is a persevering grace.**
- **Humanity has given God reason after reason to give up on us, but God never has.**
- **When Jesus sees us making our way back home to Him after turning our back on Him, He immediately runs out to embrace and hug us.**
- **Even when we give God a million reasons to turn away from us, He never leaves.**
