

# God Doesn't Understand Me

Matthew 11:28-30, Matthew 6:19-21

# An Uncaring God

- Many people feel like God does not care about them; that He does not understand them.
- Many Christians have experienced times when they do not seem to matter to God.
- When it comes to our weaknesses and shortcomings, we wish God would just do something.
- In the Bible, for all intents and purposes, it looked like God had abandoned Joseph.
- Joseph focused on the truth that God would always be there for him.

# The Voice of Truth

- God will always be there to help you face the giants that you would never be able to handle alone.
- In Hebrews 13:5, God promised that He would never leave or forsake us.
- Many people believe the lie that God does not care for them.
- Because we live in a fallen world, we will all experience heartache, disappointment, and helplessness.
- We live in a fallen world where the things we cling to fail us.
- We must cast all our anxieties on Jesus, because He cares for us.

# Conclusion

- Charlotte Elliott struggled with anger and bitterness because she felt that God did not care for her.
- When she turned her life over to God, her life changed.
- She ended up writing 70 or 80 hymns, one of which became one of the most powerful invitation songs ever sung.
- *Just as I am, without one plea  
But that Thy blood was shed for me*

*And that Thou bid'st me come to Thee  
Oh, Lamb of God, I come, I come*
