

How Great Thou Art

Psalms 145

God is Great

- **God is worthy of our praise because God is great.**
- **God is greater than anything we could ever truly describe or understand.**
- **How can you be in awe of something that you completely understand?**
- **God's greatness is displayed throughout the universe.**

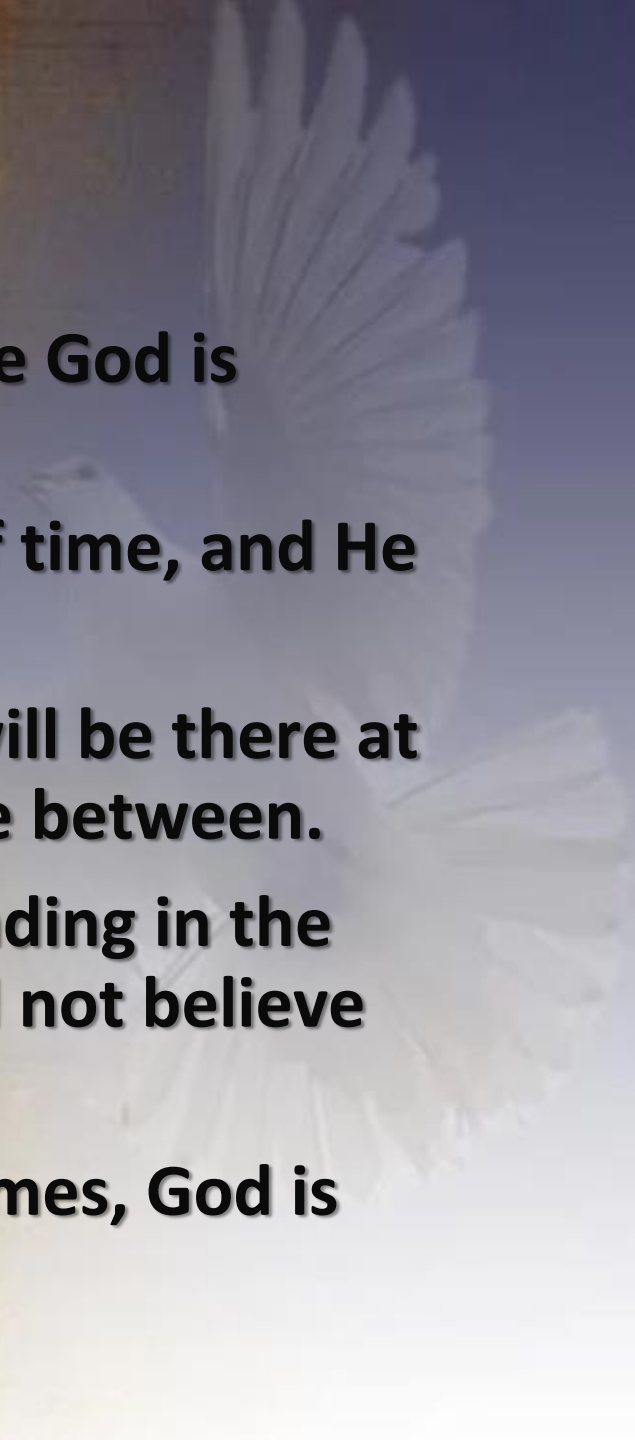

God is Merciful

- God is worthy of our praise because God is merciful.
- We sin, and because we sin, hell is what we deserve.
- God does not automatically withhold our punishment.
- Those who believe in Jesus will not receive what they deserve for their sin.
- In order to receive God's mercy, you must first receive God's Son.
- Jesus died for us so that we could have God's mercy.
- God is merciful even when it seems like everything in our life is going wrong.

God is Powerful

- **God is worthy of our praise because God is powerful.**
- **God makes a way when there does not seem to be a way.**
- **Jesus completely defeated death, hell, and the grave.**
- **God loves us enough to know exactly who we are, what we need, and how many hairs we have on our head.**
- **Jesus will one day come back to earth and take every Christian, and every Christian that has already died, back to Heaven with Him.**
- **We serve a God that is powerful and can do far more than we could ever imagine.**

God is Eternal

- **God is worthy of our praise because God is eternal.**
 - **Jesus was there at the beginning of time, and He will be there at the end of time.**
 - **If Jesus was at the beginning and will be there at the end, then He is here in the time between.**
 - **If we leaned on our own understanding in the difficult moments of life, we would not believe that God is there.**
 - **In the good times and in the bad times, God is there.**
- 

Conclusion

- **God is worthy of our praise because God is kind.**
- **God is kind for creating the universe because without the universe being created, we would not be here.**
- **God is kind for coming back for us even when we killed His Son.**
- **In order to pursue kindness and in order to pursue being right in the eyes of God, you must pursue God.**
- **If God had waited until we did something worthy of Him saving us, Jesus would never have come to die for us.**
- **Do not focus on or be distracted by whatever you may be going through in life right now; just focus on God and praise Him.**
