# Stay True

A globe of the Earth is centered in the background, appearing cracked and broken. The globe is set against a dark blue, almost black, background with some faint, glowing light effects around the globe's edges, suggesting a celestial or dramatic atmosphere.

- Jesus is the world's only Savior and King.
- The Antichrist will be the ultimate deceiver, promising peace and salvation in a time of crisis.
- We must resist the lies of anyone who claims to be our Savior.
- As we approach the chaos of the end of the age, stay true to the Lord.

# Stay Calm In The Crisis

- War, famine, and earthquakes happen every year, but they will increase in the last seven years of the age.
- God's people do not need to panic, because God planned all this and told us about it in His Word.
- When a crisis comes, you can view it as a challenge or an opportunity, because Jesus told you to expect it.
- Many people panic in a crisis and make all the wrong decisions.

# Stay Strong In The Faith

- Persevere through tribulation.
- People in the world will put you through tribulation, because they hate you.
- Fake media and false information will deceive a lot of people, creating division, lawlessness, and hate.
- To stand firm in all the chaos that will ensue, you must **KNOW** your God.
- Without God, you will give into the pressure, believe the lies and give up your faith.
- If you trust Christ with your life, you will persevere.
