

How Good Friday Is Good For Us

Hebrews 10:16-25

Sin Had To Be Punished

- Sin has to be punished because God is a just God Who demands justice and hates sin.
- Someone had to pay the price for our sins.
- God wanted one ultimate sacrifice to complete His plan for our restoration to Him.
- Jesus' death destroyed the veil that separated the Holy of Holies and provided a way for us to be reconciled to Him.
- When we accept what Christ did for us on Good Friday, we can get out of the black hole of our sinful, earthly life.

Encouragement from Believers

- The writer of Hebrews encouraged the early believers by reminding them that God will never abandon them.
- Belonging to a church not only protects our fellowship with God, but it is a vital part of how God matures us.
- We cannot keep our faith strong unless we have encouragement from fellow Christians.
- Belonging to a good church is beneficial for both individuals and families.

God's Promises

- **The Christian life is based on God's promises.**
- **God's promises fall into two categories:**
 - **Unconditional Promises**
 - **Conditional Promises**
- **Jesus' righteousness is imparted to us so that we stand before God completely spotless.**
- **Real confessions come from the heart when believers get God's Word so deep in their hearts their lives become aligned with His plan for their lives.**

Conclusion

- Jesus sees all our sins, but because He made the ultimate sacrifice with his blood, we can have forgiveness.
- Christ is the sin eater Who has taken care of all our sins.
