

War

Revelation 6:3-4, Revelation 13:5

Take Peace From The Earth

- The rider on the red horse will be given the authority to take peace from the earth.
- In order for the rider of the red horse to take peace from the earth, there must first be a time of peace.
- Before the rider of the red horse is unleashed, the antichrist will forge a 7-year peace treaty with Israel and many other nations that will fulfill the prophecy of Daniel 9:27.
- This peace treaty will be a false peace that rejects God.
- True peace without God is impossible.
- Jesus will allow the rider of the red horse to take away this false peace from the earth, because true peace is not found in the antichrist

Lawlessness

- The rider of the red horse will take peace from the world in two ways:
 - He will cause people to kill each other.
 - He will be given a great sword to bring forth great and terrible wars.
- After the red horse is set loose, there will be a level of lawlessness and killings that will surpass anything we see today.
- The rapture will cause mass confusion and a worldwide economic collapse beyond our ability to imagine.
- The antichrist will turn those who hate God against those who love God, and he will cause the world to believe that those who love God are the enemy and they must be killed.

The Red Horse Sword of War

- The wars in the tribulation will not just be world wars, but nuclear wars that will far surpass anything the world has ever known.
- This red horse of war will bring forth a massive world war that will result in the death of $1/4$ of the world's population.
- More than $1/4$ of the world's population will be killed in the first $3\frac{1}{2}$ years, and at least another $1/3$ of the world's population will be killed in another war in the second half.
- We are the first generation in history that has the technology to fulfill this prophecy.
- In the days of Jesus and the prophets, there were no weapons that could destroy the world.

Conclusion

- People, including Christians, are totally unaware of these prophetic signs and just how close we are to what is about to happen.
- The world is indifferent to the things of God and especially Bible prophecy.
- Those who are left behind will face a world gone mad, filled with horrors so terrible that it is impossible to describe.
- Believing in Jesus Christ is absolutely the only way to miss the horrific events that are coming to planet earth.
