The Blessing of Salvation

Ephesians 2:4-9; Titus 3:3-7

Salvation by Grace Through Faith

- Human determination can only accomplish so much.
- Sin separates us from God, earning us both physical and spiritual death.
- Our best efforts fall short of God's perfect holiness.
- Out of His great love, God, who is rich in mercy, made us alive in Christ the moment we believed.
- This gift, unlike earthly prizes, endures for eternity.

Salvation is a New Beginning

- Through God's mercy, we experience the washing of rebirth and renewal by the Holy Spirit.
- When we accept Christ's sacrifice for our sins and invite Him to lead our lives, we undergo a radical transformation.
- By God's grace, we are lifted into His kingdom as beloved children who inherit eternal life.
- If you are saved, ask yourself if you are you truly living as someone who has been made new in Christ?

Benefits of Salvation

- We are reconciled with God, gaining access to His throne of grace.
- Salvation grants forgiveness for all our past sins.
- Because there is no condemnation for those in Christ, our salvation assures us that we are no longer bound for a place of suffering.
- Salvation equips us with spiritual gifts, enabling us to serve in God's kingdom.

Salvation is Available to All

- In a world where nearly everything comes with a cost, salvation is freely offered.
- God's desire is that none should perish.
- Regardless of past failures, disappointments, anger, jealousy, or hatred, remember that God has not written you off.
- You are precious in God's sight.

Conclusion

- Salvation is both a gift and a calling, filled with benefits that transform every aspect of our lives.
- Salvation grants us the assurance of eternal life.
- Salvation is freely offered to everyone, and its blessings are both eternal and immediate.
- Salvation transforms our present lives and secures our eternal future, giving us hope, purpose, and a lasting peace that only God can provide.
