# Triumphal Entry

- Be always ready for King Jesus to come in ways you least expect.
- Jesus knew “Daughter Jerusalem” was to shout and that it would be fulfilled with or without people.
- The Pharisees knew the verse in Zechariah about the King coming on a donkey and were aware of the watchful eyes of Rome.
- The Bible has never been wrong.
- Zechariah’s prophecy about Jesus entering Jerusalem is amazingly detailed.

# Jesus Wept

- Jesus came in peace to give the people peace, but they preferred salvation from taxation to salvation of their souls.
- Jesus could see their mindset, and so in the midst of this praise, with people waving the palm branches like a national flag, Jesus wept.
- Jesus could see that their desire to have an earthly king would be their destruction.
- When the ancient kings of Judah came into a town on a donkey it meant that they came in peace.
- The time for Jesus to humbly and in gentleness offer Himself to man is drawing to an end.

# Second Triumphal Entry

- The day is coming when armies will surround Jerusalem, but then the LORD Himself will fight against those nations.
- At these end times, the King of Judah will come on a war-horse for the time for justice has come.
- All rebellion against God will be required to face justice when that day comes.
- At the second Triumphal Entry every knee will bow, and every tongue will confess that Jesus is Lord.

# Conclusion

- Jesus will reign as King over the earth and execute justice and judgement upon it.
- The Israelites wanted a fulfillment to prophecy that met their personal desires for power and position.
- We see the focus of the world turn to Jerusalem even this very day; peace will come but it will be broken, and Jerusalem will be taken.
- The ones that shouted "Save us now!" will shout, "Crucify Him" in just a few days, because they wanted Him to fulfill their expectations, not to be LORD of their lives.
