# The Greatest In The Kingdom Of Heaven

- There are two versions of greatness in God's Kingdom:
  - Everyone in God's Kingdom is considered great.
  - There will be those who are called the greatest.
- Humbleness is a direct line to greatness in God's Kingdom.
- Greatness in God's kingdom is not measured by earthly power and might, but by faithful service to Jesus Christ.
- The world measures greatness by fame, riches and power, but none of these things will ever bring greatness in God's kingdom.

# The First Step Of Humbleness

- The first step of humbleness that leads to eternal greatness is to turn from the ways of the world.
- We must stop thinking like the world and be focused on Jesus Christ.
- Only humbleness leads to greatness in God's kingdom.
- The world scorns humility because the attitude of the world is to place ourselves above others.
- Pride will destroy our walk with God and does not lead to greatness in God's kingdom.

# Humbleness Is The Key To Eternal Greatness

- The Bible defines humbleness as a submissive attitude that believes God, trusts God and submits to obeying God and His will.
- God is not preparing us for a great life here, He is preparing us for a life of greatness in His kingdom.
- God can only exalt us in His kingdom to the level of which we are humble.
- The greatest rewards of heaven are reserved only for those who serve God with a humble heart.
- God is not looking at how big our talent is, He is looking at how humble we are to use what He gives us for His glory.
- When we measure our lives for eternity, be humble, and remain humble before God.

# Humbly Give All The Glory To God

- True humility gives God all the glory and credit.
- Many Christians are more interested in their personal glory, and the praise of men, rather than being humble and glorifying God.
- God sees our humble work, and He will reward us for it.
- We must decrease, so that Jesus Christ may increase.
- The truly great person is the humble person who lifts up God's name above all other names.

# Conclusion

- Jesus said it is the humble who will be called the greatest in His kingdom.
- Our greatness is measured by our humbleness to honor God and obey His will.
- Humbleness is one of life's greatest decisions, and each individual must make that decision.
- When we humble ourselves and honor the Lord, Jesus says He will personally exalt us by acknowledging us before God and all the angels in heaven.
