

# A Majestic Completion

1 Peter 2:9, Romans 8:8-14, Romans 8:15-21,  
Romans 8:22-30

# **What Is the Point**

- **Information is knowledge and facts about a certain subject, as well as things that are correct, true, and presented in their proper context.**
- **Misinformation is knowledge and facts that are incorrect and untrue or, while correct and true, are presented out of context in a way that distorts meaning.**
- **Disinformation is untrue knowledge and incorrect facts that are presented out of context so its meaning is intentionally distorted.**

# **Reconciliation, Resurrection, and Restoration**

- **The plans and purposes of God are implemented over mind boggling spans of time.**
- **The intention of God from the very beginning of creation has not changed.**
- **Human beings were to be God's ambassadors revealing the goodness of God to the natural world, but sin changed everything.**
- **From the moment you bow your knee to God in faith and repentance until the moment you draw your last breath, He's at work in your life.**

# **What Do You Want**

- **God is taking us and making us like Jesus.**
- **We will be completed, made fully in Christ's image and likeness when Christ returns and His Kingdom fills all the earth.**
- **God wants that destination for us, but is that what we want?**
- **Somewhere along our way we stopped wanting what God wants.**

# Conclusion

- God has called us to a majestic, distinctive life that shines like a light in the darkness of the world around us.
- God is trying to make us more aware so we can live this year on a higher plane, consciously being His people, doing His work in the world.
